

SIT BACK GET A LONGER RIDE

if it's not broke, don't try to fix it
ladders never make you tall
when whim's an inconsistent misfit
fill the bill until you fall

the fall is all a distant fiction
with no cost to ever pay
such a sorry sad confliction
trouble's never here to stay

remember well, love what you've got
now's the time to laugh and play
don't try to fix it, broke it's not
no one lives another's day.
